

Gold Seal Certified Course

CONSTRUCTION CONTRACTS AND CONTRACT LAW

This course is designed to teach and familiarize managers, supervisors and project managers with construction contracts and contract law; labour laws (supervisor and worker rights), liabilities and responsibilities of all parties to a contract, compiling and submitting proper extras and claims, and ways and means for leaders to avoid conflict with contracts, owners, trades and labour. In addition, those who successfully complete the program, including on-the-job assignments, receive 5 credits toward the Canadian Construction Association Gold Seal program.
